JOEL SMITH

FULL STACK WEB DEVELOPER

PROFILE

Community Manager turned Full Stack Web Developer. While becoming an astute problem-solver in the multifamily industry, I realized harnessing the power of technology was often a solution. Now I am looking to be on the creative end of these technologies.

EXPERIENCE

DIGITALCRAFTS | STUDENT | 2018

- Sixteen-week full-time immersive web development course.
- Daily procedure includes responsive web development, efficient code design, pair programming, debugging techniques and key principles such as version control and analytical thinking for problem solving.

ECI MANAGEMENT | MANAGER | 2005-2017

Oversee a wide range of operations, including rate analysis and structures, financial management, marketing, contract negotiation, customer service and team development.

HIGHLIGHTS

- Recognized by *ApartmentRatings.com* with *Top Award* 4 years consecutively and earned *2017 ORA 1% Elite Power Ranking* for outstanding customer service
- Honored with the *2013 Raising the Bar Award* for researching and implementing the RentPayment into accounts receivables
- Oversaw two multi-million-dollar renovations and a lease up community, coordinating projects with contractors while minimizing risk and inconveniences to customers
- Selected to be field trainer for newly hired and/or promoted associated, providing technical and policy training
